

BABAKAGU

SOFA COLLECTION 2024

BABAKAGU

From 1929,

1929 Founded 'Baba Kagu Seisakusho'

Mr. Sadayoshi Baba, the grandfather of Mr. Makihiko Baba, the present president, started manufacturing furniture in Takasaki City, Gunma Prefecture, Japan.

1968 Open Hamakawa factory

One of the biggest sofa specialized factory in Japan

1971 Changed the firm name to 'Baba kagu Co., Ltd.'

1985 Launching of International Brand "InterLivax"

1998 Open Shanghai Factory

2005 Open Vietnam Factory LIVAX VIETNAM

Established in Hai Phong City, Vietnam

2013 1st Appearance at VIFA in HCMC, Vietnam

The first furniture company from Japan exhibited VIFA.

2022 Relocate Own New Factory in Haiphong Vietnam

Innovative function

Modern sofa can be more beautiful and more comfortable through modern technology. BABAKAGU, leading sofa company in Japan, as also a leading functional sofa manufacturer in Japan, always keeps innovative thinking to create sofa and comfortable functions for the various range of customers.

Good design Award in 2005
Bodysonic Sofa

Patent in 2014
Up and Down Seat and
Seat Inclining

Patent in 2021
Seat Gliding Mechanism

Pursuit of perfection

All BABAKAGU products are manufactured under strict management through Japanese Quality control.

Pursuit of perfection is the spirit running in the Enterprise through past and current three generations and in the future.

From material selection to the last upholstery, strict QC implemented in every step, will give you the feeling that we are particular about sitting.
